

ARMOR-IT TOWELS

VINYL & RUBBER PROTECTANT

DESCRIPTION: **ARMOR-IT TOWELS** easily and effectively clean, restore and protect the interior and exterior surfaces of any vehicle. **ARMOR-IT TOWELS** condition, beautify and protect rubber, vinyl, and plastic by sealing out moisture and oxidation caused by sun or weather exposure. The anti-static ingredient actually prevents dust and dirt from accumulating on cleaned and renovated surfaces.

APPLICATION: **ARMOR-IT TOWELS** come in any easy to use plastic canister. Simply pull one out and wipe down a variety of surfaces including: *tires, rubber bumpers, dash boards, side moldings, door and window seals, golf cart seats, and out door vinyl furniture.* **ARMOR-IT TOWELS** are pre-moistened with a water-based silicone that cleans and protects against drying, cracking, fading, and dulling. **ARMOR-IT TOWELS** are also effective at “restoring” oxidized finishes on fiberglass and painted metals.

ADVANTAGES

- **Anti-static**
- **Dust repelling**
- **Conditions, beautifies, and protects**
- **Weather proofs rubber seals**
- **No greasy mess**
- **Easy to use**
