

BRAKE MASTER

AEROSOL BRAKE AND PARTS RENOVATOR

DESCRIPTION:

BRAKE MASTER is a highly concentrated solvent blend that provides maximum performance without the use of ozone depleting chlorinated solvents. **BRAKE MASTER** contains a powerful blasting spray that easily removes brake fluid, grease, oily dirt and contaminants from linings, pads and drums, cylinders and springs without disassembling the unit.

APPLICATIONS:

BRAKE MASTER can be used by any city or county garage or bus barn, car dealer mechanic, fleet operator mechanic, school maintenance man, hospital, nursing home, or anywhere there is equipment or a work bench. **BRAKE MASTER** makes a great parts cleaner and is packaged in an easy to use aerosol can.

ADVANTAGES

- Heavy duty formula
- Blasts away deposits
- No chlorinated or fluorinated solvents
- Quickly removes brake fluid, grease, and oil
- Contains no lead, phosphorous, or silicone
- Reduces man hours
